Daruhaldi (Berberis aristata): Supports kidney function.

Sajjikshaar (Sodium bicarbonate): Alkalizing agent.

Indication:

TARASHA INDIAN ROSE

ALMOND OIL HAND & BODY LOTION 100ML

Tarasha Indian Rose Almond oil Hand and Body Lotion

Enriched with the goodness of Almond oil and Damask Roses ,provides deep hydration ensuring all day comfort and skin moisturization .

Key Ingredients :

Sweet Almond Oil:

Deep Hydration: Almond oil is rich in vitamin E and fatty acids, making it an excellent moisturizer for dry skin. It penetrates deeply, nourishing and hydrating the skin.

Anti-Inflammatory: Almond oil has anti-inflammatory properties that can soothe irritated skin and reduce redness.

Improves Skin Barrier: Studies have shown that emollients containing refined almond oil help improve the skin's barrier function, making it beneficial for conditions like eczema

Light Texture: Almond oil is lightweight and absorbs well, leaving little to no oily residue.

2. Wheat Germ Oil:

Antioxidant Properties: Wheat germ oil boasts impressive antioxidant properties, protecting cells from oxidative stress.

Skin Regeneration: It contains vitamins, minerals, and amino acids that promote skin healing and regeneration.

Anti-Aging: Wheat germ oil may help prevent wrinkles and maintain youthful skin

3.Kokum Butter:

Moisturizing: Kokum butter is a tropical oil derived from the kokum tree. It's an excellent emollient, moisturizing skin without feeling heavy.

Skin Healing: Its antibacterial and anti-inflammatory effects make it useful for treating minor wounds and sunburns.

4.Aloe Vera Extract:

Skin Benefits: Aloe vera soothes sunburn, reduces inflammation, and accelerates wound healing. It's also used for acne treatment and preventing wrinkles.

5.Neem Extract:

Antibacterial: Neem has antibacterial properties, making it useful for skin conditions like acne and eczema.

Anti-Inflammatory: It soothes irritated skin and helps reduce redness.

Scalp Health: Neem extract is also used in hair care products for its scalp benefits.

6. Rose Extract:

Antioxidant: Rose contains antioxidants that protect the skin from free radicals.

Hydrating: Rose-infused lotions provide hydration and lend luminosity to the skin.

TARASHA ROSE WATER 100ML MIST SPRAY

Tarasha ROSE WATER Refreshing Rose Water Mist is a rejuvenating facial toner and cleanser infused with the goodness of Damask roses.

Revitalizing Hydration: This mist cools, soothes, and hydrates the skin, leaving it refreshed.

Do not exceed the recommended dosage

Read the label carefully before use

Store in a cool ,dry place away from direct sunlight

Keep out of reach of children

Caution:

Pregnant women are advised to consult the Physician before use .

Ayurveda Pain

Management

Pipdol Herbal Capsules are formulated to help manage arthritis symptoms using natural ingredients.

Key Ingredients :

Haldi (Turmeric)

Benefits: Turmeric is well-known for its potent anti-inflammatory and antioxidant properties. The active compound, curcumin, helps reduce inflammation and pain associated with arthritis. It also supports joint health and mobility.

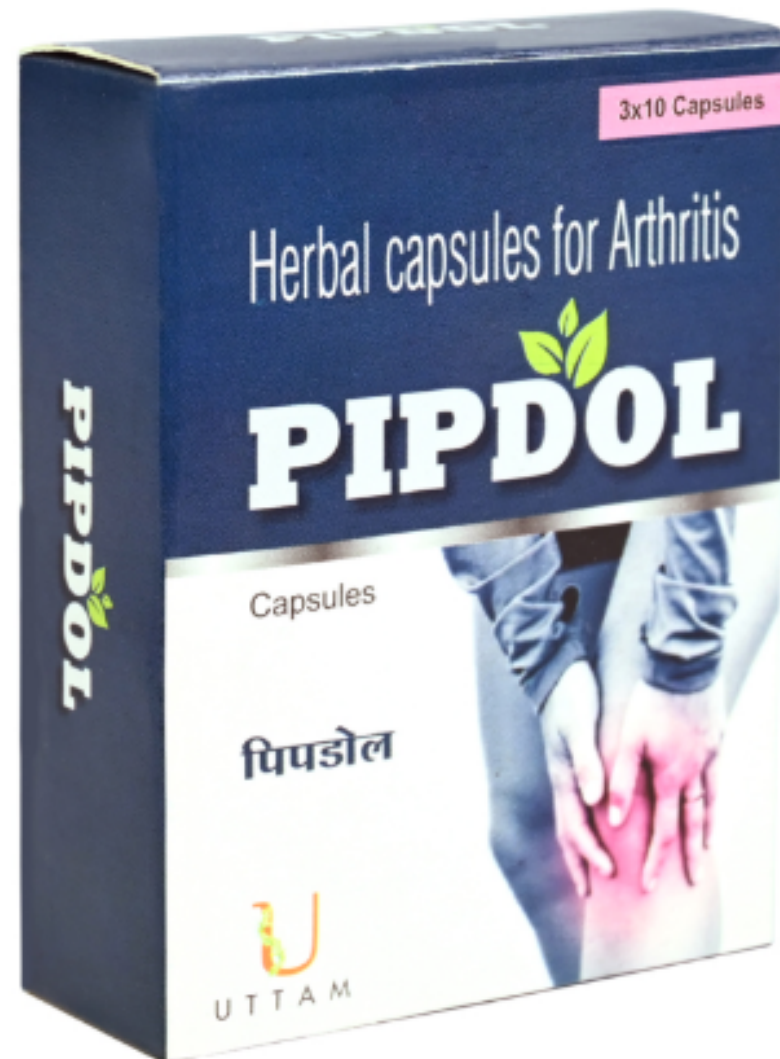

Salai Guggul (Boswellia Serrata)

Benefits: Boswellia Serrata, commonly known as Salai Guggul, is effective in reducing inflammation and pain in joints. It inhibits the production of inflammatory enzymes, providing relief from arthritis symptoms and improving joint function.

Kali Mirch (Black Pepper)

Benefits: Black Pepper contains piperine, which enhances the bioavailability of curcumin in turmeric, making it more effective. It also has anti-inflammatory properties and aids in digestion, which can be beneficial for overall health.

These ingredients work synergistically to provide relief from arthritis symptoms, reduce inflammation, and improve joint health. The natural formulation ensures minimal side effects, making it a safe option for long-term use.

Ayunic Syrup 300ml

Ayunic - Herbal Uterine Syrup contains several Ayurvedic ingredients, each known for their specific health benefits.

Key Ingredients:

Dashmool : A combination of ten roots, Dashmool is known for its anti-inflammatory and analgesic properties. It helps in balancing the Vata and Kapha doshas.

Ashoka : Known for its benefits in managing menstrual disorders, Ashoka helps in regulating the menstrual cycle and alleviating menstrual pain.

Lodhra : Lodhra is beneficial for its anti-inflammatory and astringent properties. It helps in managing uterine disorders and maintaining hormonal balance.

Vaasa Patra : Vaasa is known for its respiratory benefits but also helps in reducing inflammation and promoting uterine health.

Ghritkumari : Also known as Aloe Vera, it is beneficial for its soothing and healing properties, aiding in overall reproductive health.
